

BattleShip::endPage

```
graph LR; A[BattleShip::endPage] --> B[BattleShip::returnHome]
```

A diagram showing a call from the `BattleShip::endPage` method to the `BattleShip::returnHome` method. The `BattleShip::endPage` box is shaded gray, and the `BattleShip::returnHome` box is white. A blue arrow points from the left box to the right box.

BattleShip::returnHome
